## 5D BIM INSPIRING PROJECT AWARD

9 JANUARY - 16 MARCH 2023

**NATIONAL BIM PRACTICE COMPETITION**

Glodon 5D BIM Inspiring Project Award aims to encourage the implementation of 5D BIM among Indonesia's construction players using Glodon solutions. We would like to present our highest appreciation towards companies and teams who have implemented our solutions on their project. While the implementation and output of Glodon solutions may varies from one to another, hence, we would like to seek who has the highest and widest implementation of Glodon solutions.
